Dear Parents,

Welcome back! We hope you and your family enjoyed a wonderful holiday season, and we send our warmest wishes for a happy and healthy New Year.

As we begin the new year, it's time for our priority registration period for current families, allowing you the first opportunity to secure your child's spot for the upcoming school year. This priority window runs from today, Monday, January 6th, through Friday, January 31st. Each year, as children move into new programs, we want to ensure that our current families have placements before opening spots to new and incoming families.

We truly hope you'll join us again next year. Your family is an important part of our community, and we're excited about the chance to continue supporting your child's growth and learning.

Attached, you'll find the re-registration paperwork and a rate sheet for the 2025/26 academic year. While our rates remain consistent, please note that all families will be required to pay the \$750 placement fee per student this year. This fee reflects the careful consideration and planning involved in placing each student, taking into account factors like:

1. Developmental milestones
2. Individual personalities
3. Teacher-student compatibility
4. Future school district placement
5. Scheduling needs
6. Friendships

While I do my best to accommodate requests, I may not be able to meet all of them due to these factors as well as class size limits based on age and teacher-student ratios. If you have specific requests, now is the time to share them, as once placements are finalized, **no changes or exceptions can be made.**

To ensure your child's priority placement, please submit the completed paperwork and applicable fees to the office by Friday, January 31st, 2025. We're grateful for the opportunity to continue being a part of your child's educational journey, and we look forward to another exciting year ahead!

Warm regards,

Lisa Marie George
Owner/Executive Director
